

A IS FOR ANATOMY

Description:

This event will consist of a written test in which the contestants will view models, slides, and pictures to identify organs from the following human body systems. Both structure and function will be tested in a series of written questions.

- | | |
|----------------|--------------|
| 1. Skeletal | 6. Urinary |
| 2. Muscular | 7. Nervous |
| 3. Digestive | 8. Sensory |
| 4. Respiratory | 9. Endocrine |
| 5. Circulatory | |

Number of Participants: 2

Approximate Time: 30 minutes

The Competition:

Every team will be given an answer sheet. Team members may consult with each other by writing (no talking). Only one answer for each question will be accepted. Team members will move through 20 stations answering approximately 40 questions. Questions will be at the stations or in a test booklet.

Scoring:

At the end of the testing period, the questions and answer sheet will be collected from those teams who have not turned in their responses. Time is not a factor in scoring. Correct spelling will be used as a tiebreaker.
